

BUSINESS WELL SAMPLING AGREEMENT

CURTIS WATER & WELL TESTING

This agreement grants permission for a technician from **Curtis Water & Well Testing** to enter the property listed below for the purpose of collecting a water sample from the property's well system for regulatory compliance testing.

Business Name / Facility

Well Address

This form applies to facilities such as vacation rentals, food facilities, and bed & breakfast establishments operating under Mariposa County Environmental Health regulations. The goal of this service is to maintain your well water testing compliance through accurate, timely sampling and reporting.

The business owner acknowledges that Curtis Water & Well Testing technicians will exercise reasonable care during sampling. However neither the technician nor Curtis Water & Well Testing shall be responsible for damage caused through normal operation of property fixtures, including faucets, doors, gates, or access points used during sampling.

The business agrees to render payment for the selected compliance testing option prior to or at time of service. For managed clients, billing will follow the agreed service schedule.

BUSINESS TYPE / PACKAGE OPTIONS

- Vacation Rental (\$200)
- Food Facilities / Bed & Breakfast (\$650)

Fully Managed Compliance – A hands-off option – Curtis Water & Well Testing performs all required testing on schedule, submits results directly to Mariposa County Environmental Health, and manages all retesting if your well fails any portion of compliance testing.
